CELEBRATE SUCCESS

- * Dine-Out 90805 was held at Robert Earl's Bar-b-Que on June 1st and was a huge success with about 40 neighbors breaking bread or smacking their lips.
- * This month's Dine Out is at **El Pollo Taquero**, 6583 Atlantic Ave. #104, (Across from Jordan High School). See you there on Monday, 6/29 at 6 p.m.

* North Long Beach came alive this past Saturday for the first [Beach Streets Uptown](#) open streets event. It was estimated that 30,000 people participated, as the streets were open for pedestrians, bicyclists, live performances, fun activities and vendors for the community to enjoy.

SNAKE-EYES

DeForest Park Casino trip to Pechanga was cancelled due to a lack of sign-ups. Thank you Javier Alvarez for trying to put together a new event for our neighbors.

LIBRARY

At the May DeForest Meeting John Watkins and Paul Buckley, project managers updated us on our new North

Town Library that is scheduled for opening Summer of 2016. The artist renderings they shared with us and all the efforts to make it environmentally friendly were outstanding. We were also introduced to Shiloh Moore who will be our Librarian. If you want to watch the progress of the project go to [LBPL.org](#)

JUNE SPEAKER

Braden Phillips, Adm. Chief LBPD is our scheduled speaker. On a positive note, Officer Lee reported that there were no residential burglaries last month. Also Cal-Trans and LBPD are working together to have a clean up of river area to assist the homeless in finding other dwellings.

GET PHYSICAL

The Beach Community Wellness Program is offering free exercise classes every **Friday this summer at Houghton Park from 9:00 - 10:00 a.m.** The class will be led by Cal State Long Beach Kinesiology faculty and students. For more information contact Viki at 562-570 7904

2nd ANNUAL CHILI COOK OFF

Mark your calendars for Saturday July 11th for this years Chili cookoff. Prizes and fun.

DeFOREST GOING GREEN

Our Executive Board made a decision at last month's meeting to try "going green" with regards to your monthly flyer. We are finding that many are not making it to the porch due to fences and dogs and it's causing a littering problem as well as with social networking what it is and the availability at libraries to get the information via the internet we decided this will be the last paper copy you receive. If you'd like a copy mailed to you via email please send your info to the site listed at bottom of page.
