WHAT YOU MISSED

Commander - Rudy Komisza was
last month's speaker. He defined
his management style and the
importance of "Community
Partnerships". The 3 focus being:

1. Environmental with clean-
ups and Nature Trail
2. Social Services - Shannon
Parker with Health and
Human Services is our
liaison
3. Enforcement against
predators

Our Officers reminded us to
LOCK your cars. A car break-in
goes from a Burglary to Petty
Theft if unlocked. There have
been break-ins in our area. Call
LBPD Non-ER # **562 435-6711** if
you see anything unusual or
suspicious.

THIS MONTH'S SPEAKER

Gloria Cordero, from PE Civic
Partners, will be presenting on
the vision for the new LB Civic
Center. The PECP team
members have worked in Long
Beach for many years and have
given back to the community
over that time. The current
design is based on feedback
from Long Beach citizens. They
are seeking YOUR help as they
continue to refine the design
and move forward in this process.
